Dear Mr. Hart:

Re: Release of Revegetation Bond, M/047/016, Raven Ridge Project, Uintah  
County, Utah

The reclaimed Raven Ridge site meets the revegetation standards and the revegetation bond can now be released. We have attempted to contact you by phone, but have found the listed phone number to be disconnected with no forwarding number. Please let us know what your new address and phone number are so that the \$2000 Certificate of Deposit can be released at its maturity on July 1, 1988.

Sincerely,

Frank J. Filas  
Reclamation Engineer
